

The Barracks Site: The play area is programmed for installation in September/ October. The puffin crossing of Broyle Road is programmed for September/October. The whole of phase 2 and most of phase 3 is already sold.

SRA Notice Board: An email was received from Derek James concerning the second SRA notice board. He is happy to continue managing the content but suggests some minor maintenance is required including a new Perspex front cover and lock. RH and MS will look to undertake the renovation of the wooden noticeboard and will talk to Wick PC who has recently renovated their noticeboard.

6. **Treasurers Report**

Current a/c

Lloyds TSB Treasurers a/c £1,132.51 including £241.66 RAGE 2

Interest bearing a/cs

United Trust Bank – 40 day notice @1.5% £9,800.00

Lloyds TSB Business Instant Access £0.01

7. **Members Secretary's Report**

SRA has 391 households as members, with an additional 18 standing orders not implemented by the respective banks.

8. **Planning Matters**

No major planning application has been submitted during this period. The community hall by the Graylingwell Chapel which was originally proposed is no longer intended to be built. One proposal was to build the CH under the flats proposed to be built at the end of the chapel parking area, but this was rejected due to the issues this may create for residents. The Sales Suite for the development is now a possible location for the community hall although it is also to be used as a café.

9. **Newsletter**

RH thanked MQ for another excellent newsletter. 450 were produced and only 15 remain unallocated. MQ tabled information detailing the changes in printing costs in recent years. Due to the introduction of more efficient printing machinery MQ has been able to source the newsletters plus 300 colour promotion leaflets and 60 subscription sheets, all for £147.25 which is much less than previous years.

10. **Newsletter Distribution**

MB said that most newsletters had been delivered to households with just a few remaining to be delivered.

11. **Leaflet Distribution**

The SRA intends to deliver a promotional leaflet shortly which will include a membership application form. The more households that are members the more representative the SRA can become.

12. **Street Lighting**

WSCC who manage the street lighting contract are considering ways the street lights should operate in the future in terms of the number of hours they will be on during the night, whether they will be dimmed or turned off completely in residential areas between midnight and 5.30am, with lighting inside the city walls, on feeder roads, link roads, industrial areas and railway and bus stations staying on all night. A poll of the committee members gave no clear preference. Reduced lighting would lessen the cost to the rate payer.

13. **Updates from Representatives**

a) **Dennis Martin – Goodwood Liaison.** Complaints had been received from a resident of the Marchwood estate concerning aircraft not staying on fly-out routes. 139 complaints received in 6 months, the majority coming from three households. However it is an unnecessary annoyance and something the airfield could easily rectify. The flying club were the main culprit and were criticized for not keeping a stricter control on the pilots they were supervising. Starting from now for one month, pilots will not perform circuit and bumps from Runway 24 which is the runway from where most of the transgressions occur. The number of overall transgressions will be monitored over that period.

b) **Sue Spooner - CRAG.** SS reported that CRAG needs a new chairman and without one may fold. SS reported that there will be an Extraordinary Annual General Meeting of CRAG on 22 September to discuss the way ahead. RH asked if CRAG could continue in some form by representative members circulating information amongst themselves.

c) **Mike Steel – Website.** A slight amendment to the way documents work has been made so that there is a different tab for each. A multi-recipient email address has been created so that all members can be emailed just by using one address. MS requested members inform him of any 'broken' links. MS is to include the Lavant Road surgery in the current issues section, after checking the content with the surgery first. 258 hits on the website were received in June. 80% of visits to the site looked at the home page only.

14. **Any other business**

SS changes to the voucher parking tickets resulted in tickets being sold in units of 26 and 19 minutes, with a new ticket for 15 minutes for 35p to be created. MB reported that there was to be a NMP meeting on 9 September and a PPG meeting on 10 September. If members have any items for those meetings please inform Gillian Berry. RH circulated proposed dates for SRA meetings 2016 as the hall has to be booked in advance. MQ to include them in the next newsletter.

RH asked would members circulate information of meetings or exhibitions that they receive that may be of interest to others so we keep each other informed

15. **Date of next Committee meeting**

Thursday 11 September 2014.

There being no further business, the meeting closed at 9.45pm.
