

Report to SRA Committee meeting 15 March 2023 (update since last report 18 January 2023)

The following schedule indicates status of planning applications, with new information highlighted yellow, and items for committee attention in green. Closed applications are shown shaded grey and will be removed from future reports.

The main current concerns are (updates shown by revision marks on committee draft only):

- **22/01485/OUTEIA Whitehouse Farm phase 2.**

The SRA committee continues to monitor this , with a focus on the southern access route (SAR) and the proposal to make a country park in the area NE of the site. For an overview see the 'Indicative Landscape Plan' along with 'the Design & Access Statement part 1 of 4.

A CDC briefing took place on 22 September, clarifying that the SAR needs to be built by the time 150 phase 2 houses occupied – later than originally planned. Locals are concerned about a potential increase in traffic on Westgate, and possible use of Sherbourne Road as a rat-run to bypass the city centre. National Highways has now requested that determination be delayed to allow the applicant to address concerns about impact of the proposal on the Strategic Road Network (SRN). National Highways now have “No Objection” subject to certain conditions including that the Local Planning Authority aims to achieve Carbon Net Zero by 2050 by support (enforce?) for a modal shift from car travel... Determination target now 3 April.

- **Local Plan**

The Chichester Local Plan 2021 - 2039: Proposed Submission is now published for consultation until 17 March 2023 – see <https://chichester.oc2.uk/document/45>

The latest detailed report showing outstanding applications can be found on the [SRA website](#)

CDC Planning Applications – Status

Note for SRA Committee members: yellow indicates new information since last update

SRA Committee may decide to make no comment or else to (1) object, (2) comment or (3) support – for SRA review highlighted green. Closed applications shaded grey to be archived

Note: from 1 Jan 2023 clicking the reference number should open the application
