

**Report to SRA Committee meeting 10 January 2021 (update since last report 22 November 2021)**

The following schedule indicates status of planning applications, with new information highlighted yellow, and items for committee attention in green. Closed applications are shown shaded grey, and will be removed (archived) from future reports in the interest of brevity.

The main current concerns are (updates shown by revision marks on committee draft only):

- 20/02675/OUTEIA) Outline Planning Application from Berkeley Strategic Land for 140 dwellings on the Lock land at Raughmere, north of Keepers Wood . We are liaising with Lavant PCC, local councillors & Goodwood etc.. ~~Although Lavant has a Neighbourhood Plan “made” (adopted) in 2018, according to the NPPF this is an inadequate defence because of the expiry of CDC’s Local Plan, and Berkeley has challenged the CDC Housing & Economic Land Availability Assessment (HELAA 2018/2020).~~ Following over 200 objections the application was refused in July 2021 by CDC delegated decision, but appeal now in progress – objections accepted until 23 November. The SRA has objected, and encourages residents to attend the hearings planned for 8 days from 8 February 2022
- 20/02824/OUT development of 165 houses in the strategic gap north of Madgwick Lane - it’s heartening that this was refused, however the developer has now lodged an appeal – ref APP/L3815/W/21/3270721 held as a virtual event opening 3 August 2021 at 10.00am. Awaiting decision (overdue).

Note that CDC blames COVID for not posting notices of new applications, and asks applicants to do so; and email alerts which stopped in February 2020 – have only just restarted. So residents should inform neighbours themselves. Some alerts now apparent to people who have submitted a comment.

Otherwise the update to Summersdale Character Appraisal is stalled because CDC Conservation department has no time/resources to adopt this as “Supplementary Planning Guidance”, and CCC’s Neighbourhood Plan team are also too busy following a change of leadership – completion unlikely before ~~2022~~2023. Latest draft is on the SRA website, but probably too late to halt further assaults in the area (e.g. Glenmar House).

We are progressing local listing of individual properties and groups, now submitted for Highland Rd (S side) and The Avenue (N side), though it is doubtful whether these will be progressed. The SRA organised a team to produce a PLACE assessment as contribution to the City’s Neighbourhood Plan. The team has now moved on to brainstorming-suggesting creative ideas for enhancing the city centre, supporting suggestions for such as green footways linking key sites, and opening up the course of the River Lavant which is largely hidden in culverts or narrow channels.

The latest detailed report showing outstanding applications can be found on the [SRA website](#)

Demolition of existing building and construction of 6 no. flats with associated car parking and external works.	Objection (CCC 08/01/20 Strong Objection)	Over-development, high density, and adverse change to character. No new documents since May 2020
20/02675/OUTEIA 20/10/2020 WYG-Southampton SCED 25/11/2020, extended to 12/03/2021	Berkeley Strategic Land Ltd. Field South of Raughmere Drive Lavant Outline Application with all matters reserved (except for access) for the development of 140 dwellings, public open space, landscaping, parking and associated works.	Strong objection, likewise CCC; and again to EIA. Refused by delegated decision July 2021; but appeal now in progress, ref APPL/3815/W/21/3 284653	Tony D: Key factors are: * The area is not designated for housing in the Local Plan, * Nor is it so designated in the new Local Plan Review * It is under an active flight path to and from Goodwood Aerodrome. * It substantially reduces the gap between two settlements.
20/02824/OUT 03/11/2020 via Nexus Planning SCED 10/12/2020	CEG Land Promotions and The Landowners. Land Within The Westhampnett / North East Chichester Strategic Development Location (north Of Madgwick Lane) Chichester Outline Application with all matters reserved except for access for the residential development comprising up-to 165 dwellings, including an element of affordable housing; together with an access from Madgwick Lane as well as a relocated agricultural access, also from Madgwick Lane; Green Infrastructure, including the enhancement of the Lavant Valley Linear Greenspace; sustainable drainage systems; and associated infrastructure.	Objected; Refused, but developer intends to appeal; now in progress, ref APP/L3815/W/21/3 270721	Between the current Magwick Lane development and the River Lavant. ChiSoc comment: This site has been omitted from the SDL in the CDC New Local Plan and discounted on the HELAA Plan because the SDL target of 500 homes has been achieved already at Madgwick Park and East of Graylingwell. Also this development is not sustainable and spoils the rural edge of Chichester and is within the Goodwood noise nuisance zone

This will be the main change to the street scene. Don't really see any firm grounds for Objection.</p>	<p>Chi-Soc express Concern at noise nuisance and eco impact of outdoor swimming pool and unjustifiable addition to the dwelling's carbon footprint. Bill is concerned that the reworked entrance may compromise the rural feel of Brandy Hole Lane? If not, loss of rural character that should be mentioned. Also, an expanded house footprint and "garden room" on top, the percentage of built-on land would be very much increased. ... would regret the creeping urbanisation of the Lane.</p>
<p>01/10/2021 21/02624/DOM Via Shear Architectural Design Ltd SCED 10/11/2021</p>	<p>The Coach House Warren Farm Lane PO19 5RU. Mr Mark Geary 1 no. dormer to front elevation and installation of PV solar panels to front and rear elevations.</p>	<p><b>No reason to object.</b> Build materials all match existing property, roof tiles, windows, doors. No trees or hedges are being affected. Rights of way being maintained and no changes being made to current parking for property.</p>	<p>Chi-Doc considers that the character of the attractive group of former farm buildings will be harmed by this rather insensitive proposal. The dormer could be more in keeping by reducing the width of the unnecessarily large bathroom window within the same sized dormer, and the untidy scattered array of PV panels should be reconsidered. Therefore ask that the applicant submits a revised</p>
